The image displays four sequential screens from a mobile application, each with a close button (X) in the top right corner.

- Screen 1 (Light Green):** Features a database icon (cylinder with a book) and the text "Loading data..". Below it, a message reads: "Be patient, we're connecting your database, it may take up to 1 hour".
- Screen 2 (Light Green):** Features the text "Missing things...". Below it, a message reads: "To start work with data, please connect your first channel." At the bottom is a button labeled "Connect now →".
- Screen 3 (Light Purple):** Features the text "Always welcome!". Below it, a message reads: "To continue browsing please login or create an account." There are two buttons: "Login" and "Signup".
- Screen 4 (Light Green):** Features a peace sign emoji icon and the text "Always welcome!". Below it, a message reads: "To continue browsing please login or create an account." There are two buttons: "Login" and "Signup", both with right-pointing arrows.
